

Msgr. Gray's 25th Anniversary Trivia Night

Round 3:

Movie Quote Last Lines

Part One

Movie Quote Last Lines #1

#1 Fools! Bureaucratic fools!

#2 What'd they say?

#1 They don't know what they've got there.

#2 Well, I know what I've got here. Come on. Buy you a drink...
You know, a drink?

Movie Quote Last Lines #2

#1 I have no plans to call on you *<name redacted>*. The world's more interesting with you in it. So you take care now to extend me the same courtesy.

#2 You know I can't make that promise.

#1 I do wish we could chat longer, but I'm having an old friend for dinner. Bye.

Movie Quote Last Lines #3

#1 Dimitri, lobster and cracked crab for everyone.

#2 Extra prima good, Mr. Coleman, Sir.

#1 Looking good, Billy Ray.

#2 Feeling good, Lewis.

Movie Quote Last Lines #4

#1 Who was he?

#2 He was Edmund Dantes, and he was my father, and my mother, my brother, my friend. He was you and me. He was all of us. I will never forget that night and what it meant for this country. But I will never forget the man and what he meant to me.

Movie Quote Last Lines #5

We accept the fact that we had to sacrifice a whole Saturday in detention for whatever it was we did wrong. But we think you're crazy to make us write an essay telling you who we think we are. You see us as you want to see us. In the simplest terms, the most convenient definitions. But what we found out is that each one of us is a brain, and an athlete, and a basket case, a princess, and a criminal. Does that answer your question? Sincerely, *<name redacted>*.

Movie Quote Last Lines #6

#1 That's gratitude for you. They didn't even say goodbye.

#2 No, they didn't.

#1 Look at them. You know they think more of their father than they do of you.

#2 That's as it should be.

#1 Well, don't you care?

#2 Practically perfect people never permit sentiment to muddle their thinking.

#1 Is that so? Well, I'll tell you one thing. You don't fool me a bit, *<name redacted>*.

#2 Oh really?

#1 Yes, really. I know exactly how you feel about these children, and if you think I'm going to keep my mouth shut any longer...

#2 That will be quite enough of that. Thank you.

#3 Good bye. Don't stay away too long.

Movie Quote Last Lines #7

#1 This is television, that's all it is. It has nothing to do with people. It has to do with the ratings. For forty years, we've told them what to eat, what to drink, what to wear. Don't you understand? Americans love television. They wean their kids on it. Listen. They love game shows. They love wrestling. They love sports, violence. So what do we do? We give 'em what they want. We're number one. That's all that counts. Believe me, I've been in the business thirty years.

#2 Well, I haven't been in show business as long as you have, but I'm a quick learner. So, I'm going to give the audience what I think they want.

#1 You bastard! Drop dead!

#2 I don't do requests. ... Well, that hit the spot.

Movie Quote Last Lines #8

#1 After careful consideration, I have chosen not to endorse your park.

#2 So have I.

Movie Quote Last Lines #9

#1 Quint?

#2 No. Can we get in on those? Hey, what day is this?

#1 It's Wednesday. Ah, it's Tuesday, I think.

#2 I think the tide is with us.

#1 Keep kicking.

#2 I used to hate the water.

#1 I can't imagine why.

Movie Quote Last Lines #10

Excuse me. Excuse me, Señor. May I speak to you please? I asked for a Mai Tai and they brought me a piña colada. And I said no salt, no salt for the margarita, but it had salt on it. ... I won't be leaving a tip. Because I could shut this whole resort down. ... Sir? I could take my traveler's checks to a competing resort. I could write a letter to your board of tourism and I could have this place condemned. I could put strychnine in the guacamole. There was salt on the glass, big grains of salt.
